The State Agency on Intellectual Property (AGEPI) invites stakeholders, in particular representatives of public authorities and beneficiaries of the intellectual property system, to participate in an intellectual property policy workshop organized within the project Fostering Innovation in the Danube Region through Knowledge Engineering and Intellectual Property Rights Management (KnowING IPR), a project in which the State Agency on Intellectual Property (AGEPI) is a partner. The event will be held on **30 March 2021**, in English, on the ZOOM platform, starting at 15.00 (Chisinau time).

During the workshop, policy makers and intellectual property (IP) experts from the Danube region will address public policy in the field of intellectual property and propose for discussion some recommendations of European experts meant to contribute to a better use of IPR in the Danube region.

More details about the event agenda, as well as the access link to the workshop can be found here: <http://www.interreg-danube.eu/news-and-events/programme-news-and-events/6114> [1]

The KnowING IPR Project consists of a regional consortium comprising partners from the following countries: Slovenia, Slovakia, Croatia, the Czech Republic, Bulgaria, Romania, Germany, Austria, Hungary, Serbia, Bosnia and Herzegovina, the Republic of Moldova and Ukraine.

The opportunities launched within the project, as well as information about the activities implemented during the project implementation are announced on the official website of the project:
