***La 28 februarie 2014, in incinta AGEPI, a avut loc sedinta festiva de inmanare a certificatelor de absolvire a cursului de instruire "Protectia Proprietatii Intellectuale", care a fost desfasurat in perioada 16 octombrie 2013- 14 februarie 2014.***

Cursul de instruire este organizat de AGEPI in fiecare an si are drept scop informarea, scolarizarea, instruirea, pregatirea si perfectionarea cadrelor in domeniul proprietatii intelectuale. La finalizarea cursului absolventilor li se acorda calificarea „Consilier in proprietatea intelectuala”.

La editia curenta a cursurilor s-au inscris 14 persoane, atat din cadrul AGEPI, cat si din alte institutii/organizatii din republica.

La festivitate au fost prezenti absolventii si lectorii cursului de instruire, precum si directorii de departamente ai AGEPI . In cadrul inmanarii solemne a certificatelor de calificare, Ion Tiganas, Vicedirectorul general AGEPI, presedintele Comisiei de examinare si calificare, a felicitat absolventii cu finalizarea cu succes a cursului si obtinerea unei noi calificari, urandu-le succes in activitatea lor de consiliere si promovare a obiectelor de proprietate intelectuala. La randul lor, absolventii si-au exprimat recunostinta fata de profesori pentru tot ce au invatat de la ei, convenindu-se asupra consolidarii si continuarii cooperarii viitoare.

Planul de invatamant al cursurilor de instruire include sapte discipline referitoare la protectia obiectelor de proprietate intelectuala (inventii si informatia de brevet; desene si modele industriale; marci; indicatii geografice, denumiri de origine si specialitati traditionale garantate; soiuri de plante; dreptul proprietatii intelectuale; economia si evaluarea proprietatii intelectuale), cu un numar total de 168 de ore. La finalizarea fiecărei discipline, cursantii sustin colocvii sau examene prevazute de planul de invatamant.
